Collection

**ALTEK**

# Living Innovation

*Nature plays a crucial role in our lives, providing a connection that allows us to rediscover the lost time.*

*Outdoor living, along with furniture and light construction solutions, offers a sense of freedom that we have never yearned for as much before.*

*Living close to nature in all ways requires a sensitivity that enables us to appreciate and protect its beauty and resources for future generations.*

# Our Story

## How It All Began

1978 - Tornillería Industrial - TOIN is founded.

1990 - The first production plant owned by the company is inaugurated.

1985 - We built the first machines to manufacture screws in Colombia.

1995 - We started manufacturing expansion anchors.

1997 - We are pioneers in Colombia in the manufacture of system 32 for furniture assembly.

2002 - We made our first kitchen door.

2000 - We make our first import of furniture fittings.

2004 - We manufacture our first table with an aluminum structure.

2005 - ALTEK is created and we open our showroom in Bogota.

2007 - We manufacture the first closet with an aluminum structure in Colombia.

2008 - We developed our first line of outdoor furniture.

2010 - We opened our glass lamination plant with eva, it is the first to use this system in Colombia.

2010 - We make our first export.

2011 - We manufacture the first contract project.

2012 - Construction of the ALTEK production plant.

2013 - We created the wood production line.

2015 - We entered the international market with contract projects.

2019 - We developed yeap line of outdoor furniture.

2020 - We created the sintered stone production line.

2021 - We open our showroom in Medellin.

2022 - We open our showroom in Barranquilla.

# Yeap Collection

*Aluminium frames provides a sturdy base for the furniture, while ropes and textiles add a unique and stylish touch of design and comfort.*

*Handcrafted pieces with aesthetic design and a sophisticated look will create a cozy atmosphere full of colors and sensations.*

# Leaf

## Yeap Collection

*Outdoor collection is the perfect choice for people living in small spaces. It features round ropes and aluminum construction that is both lightweight and thin in design. This makes it easy to store and transport when not in use. It is also very durable and able to withstand the elements. With its minimalist design, it is sure to be a great addition to any outdoor space.*

# Lazzo

## Yeap Collection

*Wood, flat rope weaving, Teakwood construction, transparency, luxury, and design all come together to create a unique blend of style and functionality. With this combination of materials, modern flat rope weaving can be used to create luxurious designs that are both aesthetically pleasing and highly functional. The wood construction ensures that the design is durable and classic, while the transparency provides an open and airy feel to the space. The wood and flat rope weaving add a touch of warmth and texture, creating an inviting atmosphere.*

# Albox

## Blue Collection

*This furniture piece features an orthogonal aluminum frame that is painted with a powder coating, available in different colors. The sleek and timeless design adds an architectural touch to any space while the powder coating provides durability and resistance to wear and tear. It's a perfect choice for those who appreciate both aesthetics and functionality.*
